

Repair & Replace Cover Package

Gate Motor Experts offers a full insurance cover on security equipment i. e. Gate Motor/s; Garage Door Motor/s; Electric Fence and Energizer. Unexpected breakages can happen at any time and can often be very costly and inconvenient. The solution for this is: "The comprehensive Repair and Replace Cover Package".

This will ensure your unit/s is fully covered against all non insurable perils i. e. electronic failure. This will not just cover your equipment – but also include the call out charges for the technician to come to your premises (inclusive of all materials, parts required as well as the labor involved), at a minimal monthly payment. Have immediate cover: Sign up now and have peace of mind!

It is our goal to equip our Clients with a tailor made repair cover package when repairs are needed.

Benefits & Features of the Gate Motor Experts Repair Agreement are:
